Creative Brief

GOALS

CREATE a brand that is professional, yet transparent and personable.
MARKET myself to future employers, clients, and professionals in my field.
EXEMPLIFY consistency and clean-cut design to showcase my attributes.

KEY INSIGHTS

Creating a strong brand presence online is a way to stand out in a competitive job market. A brand presence online is a way to show your professionalism, skill set, and personal style.

KEY TAKEAWAY

My work ethic and grit paired with my passion for connecting with those around me make me a valuable asset to any team.

REASON TO BELIEVE

I am a passionate, caring, and hardworking individual who believes my core skill set makes me a diverse, flexible, and strong asset to the work force.

POSITIONING

Creating strong connections in the professional setting helps your career and the brand you represent soar.

TARGET

To connect and share my design personality with future clients, future employers, and other professionals.

PERSONALITY

Outgoing//Communicative
Gritty//Courageous
Supportive//Kind
